

Combo Drill Bits

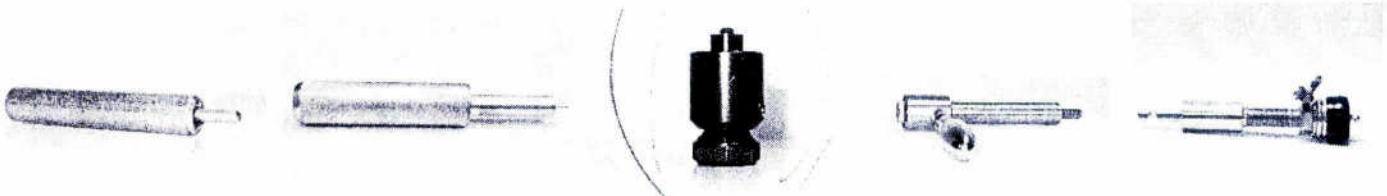

ITEM #	SIZE / DESCRIPTION
/50NDBC/DOM	1/4" X 1/2" X 2" - DOMESTIC
/50NDBC/IMP	1/4" X 1/2" X 2" - IMPORT
/50N250DBC	1/4" X 1/2" X 2-1/2" - DOMESTIC OR IMPORT
/50N300DBC/DOM/WO/C	1/4" X 1/2" X 3" - NO COLLAR-DOMESTIC
/50N350DBC/DOM	1/4" X 1/2" X 3-1/2" - NO COLLAR-DOMESTIC

Applications:

Drills perfect holes for the 1/4-20 Machine Screw Anchor. Available in domestic and import varieties. The import is a more economical version.

Setting Tools

ITEM #	SIZE / DESCRIPTION
/25ST	1/4" - MANUAL SETTING TOOL
/25STKS	1/4" - MANUAL SETTING TOOL, HEAVY DUTY
/25HWST	HOLLOW WALL SETTING TOOL, BY GREENLEE
/25STP	1/4" POWER SETTING TOOL, WITH HANDLE
/25STPE	1/4" POWER SETTING TOOL BY ELCO

Applications:

The manual setting tool is used with a hammer and sets the 1/4-20 Machine Screw Anchor by forcing the lead shield over the zinc insert. The power setting tool with a handle uses a 7/16" driver and cordless drill to pull the insert into the lead. The power setting tool by Elco™ attaches directly to the drill.
